From the Principal

Dear Students and Families,

Welcome to the second semester! As you probably remember from your time in high school, students use this new beginning to vow to do better. I remember those times in high school when I would think things like, “This time I am going to set aside more time for homework,” or, “I will start my big projects much earlier this semester.” Many students set these types of goals and meet them with success. Other students fail to meet these very realistic goals simply because they do not share them with their friends, family, or teachers in a way that garners support or creates a concrete plan of action.

I have learned a great deal this first semester and I want to thank everyone for their kindness and generosity in sharing their insight on how we can make Jonathan Law a Center of Excellence. I have been able to spend a lot of time in classrooms and I continue to be impressed by the dedication and commitment of our faculty and staff to the success of our students. All of us at Jonathan Law are committed to the belief that all students can learn and how we teach over time has changed significantly as a result.

For those of us who graduated a while ago, our experience with school is not necessarily what our kids should be experiencing today. The modern challenges and mandates that schools, communities, and countries face are very different now compared to then. Now more than ever, it is imperative for all of our students to graduate. As our system of teaching evolves, student performance and graduation rates will improve also.

I encourage you to stay in contact with the staff, continue to monitor your child’s progress, and stay connected to the daily life of the students at Jonathan Law. Now more than ever, your support at home of the work we do here is imperative for our school to continue moving forward. The dedicated staff here understands that parents are the extension of the classroom teacher at home and we sincerely appreciate all you do to assist and support us to achieve our vision for the future.

Here’s to a great second semester!

Sincerely,

Fran Thompson
Mr. Fran Thompson
Principal

**Weather Information**

School Cancellations/Delayed Openings/Early Dismissals

The decision to alter/cancel the school day is made when the health and/or safety of students is in jeopardy. In the event of serious inclement weather, information is provided to us by the Milford Police Department and the Department of Public Works and a decision is made no later than 6:15 a.m.

**Decision / Announcement Times**

6:15 a.m. Decision is made to delay opening or to cancel school.
8:10 a.m. If weather conditions have worsened during this early morning period, an originally reported delay might be changed to a cancellation. Continue to monitor broadcasts and websites until 8:30 a.m.
11:00 a.m. If an early dismissal has been called for, the announcement will be made on the stations by 11:00 a.m.

**IMPORTANT**

Schools are notified of the early dismissal decision at the same time as parents.

**Bus Pick-Up during Delays**

In the case of a delay, buses will pick up students 1.5 hours later than their regular pick up times. Dismissal is as normal.

**Media Announcement Sources**
Website: (First Choice): www.milforded.org; www.ctweather.com

Radio: WELI (960AM); WNHC (1340AM); WPLR (99.1 FM); WEBE (108 FM); KISS (95.7 FM); WICC (60 AM); WEZN (99.9 FM); WAVZ/WKCI (101 FM)

**Excused Absences**

The Milford Board of Education defines the following situations to be excused absences:

- Illness or injury—Parents may excuse their child from school due to illness on no more than 4 days in a month up to 10 days in a school year. Written or electronic documentation must be received upon the students return to school;

All absence days beyond 4 in a month and over 10 days in a school year must be accompanied by a note from a Doctor or Treatment Facility excusing the child from school. This documentation must be received upon the students return to school. The Doctor/Treatment Facility note must contain a doctor’s signature and/or stamp, **faxed notes and photocopies will not be accepted.**

- Death in the family – administrative discretion;
- School Nurse Dismissal;
- Religious observance – with documentation from parent/clergy;
- School-sponsored activities – with documentation from school staff;
- Court appearance – with corresponding documentation;
- Out of School Suspension – with administrative documentation
- High School, college visits or orientations – with documentation from the college(s) visited.

Flu Updates

People with the flu may have the following symptoms:

- Fever
- Dry cough
- Sore throat
- Runny/ stuffy nose
- Extreme tiredness and muscle aches
- Children may also have nausea, vomiting and diarrhea.

It is especially important to remember and practice the basic foundations of Flu prevention; stay home when sick, wash your hands frequently with soap with water and cover noses and mouths with a tissue when coughing or sneezing. Cough or sneeze into your shirtsleeve or elbow if a tissue is unavailable. Avoid touching your eyes, nose or mouth. Call your health care provider if you think you have the Flu.

Thank you for your help in preventing the spread of Flu at school. For more information on Flu visit the Center for Disease and Prevention (CDC) website at www.cdc.gov and for local updates regarding Flu clinics call the Milford Health Department at 203 783-3285.

MEDICATION REMINDERS

This is a reminder to all parents and students that over the counter medications (including Tylenol and Ibuprofen) are not permitted in school unless the student has an order from their physician. Medications forms are available in the school health office and most physicians also have copies in their office. Students are also not permitted to share their medication with other students in school. These regulations are in place to help maintain a safe environment in school.

Preparing for Cold Weather

Preparing for the cold weather: Please encourage your teen to dress appropriately for the cold, this includes hat and gloves. Teens that drive should also be prepared for the cold; if their car breaks down they may feel the effects of the cold before help arrives. They should keep emergency supplies in their car.

As always encouraging your teen to get enough rest, exercise and maintain a healthful diet will help maintain a healthy immune system. If you feel your teen is not eating a well balanced diet we encourage you to sit down with them and discuss ways they can improve their dietary habits. You may wish to ask your physician about a vitamin supplement. We are available in the health office to meet with students.

Mandated School Physicals/ Sports Physicals

All 10th grade students are required to bring to the Nurses’ office a physical on the blue state form. The blue physical form HAR -3 rev 4/2010 (available on the BOE website) is the form that is acceptable for sports and 10th grade. Sports physicals are valid for 13 months.

Physicals can be obtained free of charge through the VNA by making an appointment at 203-859-6067.

One Voice PTSA News

Teen Driving Presentation “Great”

What a great night! More than 50 people attended the Teen Driving Forum on Jan. 15th – with a lot of great information provided by our presenter – Fran Mayko – of AAA. Fran’s program helped parents and students understand the many details that are involved in getting a driver’s license. Topics ranged from insurance, the ins and outs of the Dept. of Motor Vehicles (even the best times to go!), the testing process and costs – and lots more. Going through the driver training process can be scary, but the evening presentation did a lot to lessen any fears families may have had. Thank you to everyone involved!

Emma Sicotte Nominated for Lifetime Achievement Award

We are pleased to announce Emma Sicotte, a member of the foodservice team at Jonathan Law, has been nominated by the One Voice PTSA for the Annual Lifetime Achievement Award, conducted through the Milford PTA Council. Emma has been a member of the Milford Public Schools staff for the past 27 years and has provided hundreds of thousands of Milford teens with a listening ear, an eager heart, and a positive attitude. Emma’s nomination, along with four others from across the district, were received by Council this year. In March, the One Voice membership will be voting at its own meeting to determine who we would like to receive the Lifetime Achievement Award (from the 5 nominees). Please make it a point to attend (only dues-paying members may vote). Nomination submissions will be available for you to read at our February and March meetings. We also will be sending you the full file on your calendars now. Last year’s event was great; this year’s will be even better!

Oscar Wilde brings his enormous gifts for astute social observation and sparkling prose to *The Picture of Dorian Gray*, his dreamlike story of a young man who sells his soul for eternal youth and beauty. This dandy, who remains forever unchanged—petulant, hedonistic, vain, and amoral—while a painting of him ages and grows increasingly hideous with the years, has been horrifying, enchanting, obsessing, even corrupting readers for more than a hundred years…. — Book description

Counselor Presentations for 10th Graders
By: Nicole Shlomo (Intern)

The Guidance counselors recently held a presentation for all sophomores to follow up on PSAT scores, which were sent home. The presentation consisted of an explanation of scores, reason for taking and preparing for the test, resources to improve performance and how to view questions students answered right or wrong. In conclusion, students were encouraged to “Get on Base!” to improve their academic performance. To help meet this goal, a new peer tutoring program was introduced by Ms. Reeves to assist students who are struggling and to give strong students additional leadership experience. We are excited to see how the program progresses when it begins second semester! Sophomores who are interested in participating in the program should visit Ms. Reeves in Guidance.

February is Teen Dating Violence Awareness and Prevention Month

Nearly half of 13-18 year olds who have been in a relationship reported that they’ve experienced controlling behaviors from a boyfriend or girlfriend. Moreover, 21% reported being with a partner who wanted to keep them from seeing family or friends.

As President Obama stated in his Presidential Proclamation, “Emotional abuse using digital technology, including frequent text messages, threatening e-mails, and the circulations of embarrassing messages or photographs without consent, can be devastating to young teens.” If you or someone you know is experiencing these behaviors make sure to get the help and support needed. For more information and resources visit www.loveisrespect.org.

**Attention parents of junior students** please contact your child’s counselor to set up a college planning meeting.

**Affording College**

Federal student aid comes from the federal government, specifically the U.S. Department of Education. It is money that helps a student pay for education expenses at a postsecondary school (e.g., college, vocational school, graduate school). Federal student aid covers such expenses as tuition and fees, room and board, books and supplies, and transportation. There are four main categories of federal student aid: grants, scholarship, work-study, and loans.

- **Grant**—Grant money usually doesn’t have to be repaid. Most U.S. Department of Education grants are based on the student’s financial need.
- **Scholarship**—U.S. Department of Education scholarship money is awarded based on a student’s academic achievement and does not have to be repaid.
- **Work-study**—Work-study money is earned by a student through a job on or near campus while attending school and does not have to be repaid.
- **Loan**—Loan money must be repaid with interest.

You must complete and submit the Free Application for Federal Student Aid (FAFSA) to apply for federal student aid online at [www.fafsa.gov](http://www.fafsa.gov). You can apply beginning January 1 of each year for the upcoming academic year. Most aid is provided on a first come, first served basis. Students and families are advised to submit a FAFSA as early as possible for consideration for maximum financial assistance. Financial aid offices use information from the FAFSA to determine whether you are eligible to receive federal grants, loans, or work-study funds. States and schools also use the information from the FAFSA to determine whether you qualify for additional aid. In fact, some schools won’t consider a student for the school’s merit scholarships until the student has submitted a FAFSA. So be sure to fill out a FAFSA even if you think you won’t qualify for federal aid.

BASEBALL INFORMATION

*TRYOUTS START MONDAY MARCH 18*

Baseball season is fast approaching. If you plan on coming out for the team, there are some things you can do in advance to make the tryout process run smoothly.

#1 Be sure to check with the school nurse to see if your physical is up to date. (No one is allowed to step on the field until they have been cleared by the nurse.)

#2 Get your Baseball athletic permission slip filled out and signed.

#3 Be sure your grades are in order, there will be mandatory grade checks by the head coach and athletic director to make sure you are academically eligible to play a spring sport.

#4 Pay attention to announcements because there will be at least 1 more important meeting before tryouts.

Good Luck and hope to see you on the field in March!

Coach Simler and the Law Baseball Staff
The Senior Class would like to thank the students at Jonathan Law for making homecoming a success. Also, senior clothing orders ran very smoothly. Because of the requests for another order, if twenty orders are submitted to Mrs. Kovacs in guidance, the senior class will order more clothing for those who missed the first order.

Now, because March is quickly approaching, it is time to announce the date for cotillion! Cotillion will take place on Friday, March 15, 2013 at Cascade in Hamden, details will follow soon.

The music department will be holding a concert on Tuesday, February 26th at 7PM in the JLHS auditorium. Admission is free and our theme will be movie song titles.
