Daily classroom participation is an essential component of the learning process; classroom time directly influences student achievement. Make attendance mandatory unless your child has a fever, a contagious illness, or is vomiting. In accordance with CT General Statutes, Section 10-198a, a student is truant when he/she had 4 unexcused absences from school in one month or 10 unexcused absences from in school in any one year. We want your children here each day!

Students need to arrive on time to school in order to ensure a positive and successful beginning of the day. The LOS doors open at 8:00 am every day.
Staff in the Spotlight

Mrs. Marzinotto

This week we interviewed our awesome and lovely principal…. Mrs. M.
In 1992 Mrs. M fell in love with teaching her son and wanted to help others.
From kindergarten to 8th grade Mrs. M loved math. From 9th grade and on she enjoyed reading. She attended SCSU for 8 years in corporate video communication with a minor in photo B.S. For science, she went to UNH (University of New Haven) and got a masters in elementary education at UCONN for 6 years for Education leadership.

Mrs. M’s favorite thing about Live Oaks is how our community fills her heart with pride, joy and happiness, to see all ages helping others acts of kindness and leadership roles. To her that is her reward!

Mrs. M has been teaching for a total of 19 years. She taught in 2 schools, Calf Pen Meadow for 8 years for 1st and 3rd grade and 11 as a Principal at L.O.S.

Mrs. M's Favorite hobby is putting puzzles together because she likes to enjoy a little challenge and it helps her think more clearly!

Her favorite quote is “A great leader is never too far ahead of her followers” by Eleanor Roosevelt.

Mrs. M loves school because of the people she works with and watching the children grow up and come back to serve Live Oaks as mentors and in other community in even more ways.

Mrs. M feels so exited on the first day of school She said, “When the first day of school comes around each year I get so excited, I feel like a Kid again. Thank you Live Oaks School!!”

Help Your Child Succeed in School: Build the Habit of Good Attendance Early
School success goes hand in hand with good attendance!

DID YOU KNOW?

• Starting in kindergarten, too many absences can cause children to fall behind in school.
• Missing 10 percent (or about 18 days) can make it harder to learn to read.
• Students can still fall behind if they miss just a day or two days every few weeks.
• Being late to school may lead to poor attendance.
• Absences can affect the whole classroom if the teacher has to slow down learning to help children catch up.

Attending school regularly helps children feel better about school—and themselves. Start building this habit in preschool so they learn right away that going to school on time, every day is important. Good attendance will help children do well in high school, college, and at work.

WHAT YOU CAN DO

• Set a regular bed time and morning routine.
• Lay out clothes and pack backpacks the night before.
• Find out what day school starts and make sure your child has the required shots.
• Introduce your child to her teachers and classmates before school starts to help her transition.
• Don’t let your child stay home unless she is truly sick. Keep in mind complaints of a stomach ache or headache can be a sign of anxiety and not a reason to stay home.
• If your child seems anxious about going to school, talk to teachers, school counselors, or other parents for advice on how to make her feel comfortable and excited about learning.
• Develop back-up plans for getting to school if something comes up. Call on a family member, a neighbor, or another parent.
• Avoid medical appointments and extended trips when school is in session.

When Do Absences Become a Problem?

| CHRONIC ABSENCE | 18 or more days |
| WARNING SIGNS   | 10 to 17 days   |
| SATISFACTORY    | 9 or fewer absences |

Note: These numbers assume a 180-day school year.

Calling ALL Kindergarten Parents:
LOS Literacy and Math Parent Workshop

March 10, 2016  8:30 AM - 10:00 AM

Want to know the real answer to that question when you ask your kindergartner? Here’s your chance!!! Please join us for a Literacy and Numeracy Parent Workshop.

You will have the opportunity to learn about your child’s daily literacy workshop from our Literacy Coach, Mrs. Donna Coulombe and our Reading Consultant, Mrs. Carol Marcus. Our Numeracy Coach, Mrs. Pam Ward, will present information about your child’s daily classroom math instruction and math workshop.

Following a brief overview, you will get to see the Kindergarten Literacy and Numeracy Workshops in action. You are invited to spend time in your child’s classroom to observe what your child does in reading and math each day with their classroom teacher.

Did you know that there are people in our own neighborhood that don’t have the food they need? Think of what it would be like to be those people. All people have the human right of food and shelter. To learn about this human right, I am organizing a food drive to give food to those who have none. Help this great cause by donating food in the donation box in the lobby.

"I was very impressed! My boys tire easily of the same activity – they were never bored with this camp. They loved it. The coaches gave great feedback – made me feel my kids were looked after and not just one of the many. We’re hooked on Skyhawks!" - Elizabeth H.
