

Students

Admission/Placement

The schools shall be open to all children five years of age and over on or before January 1 of the enrolling year. First grade children must be six years old on or before January 1 of the enrolling year. Exceptions from routine admission may be made by the Superintendent of Schools or designee on the basis of supporting evidence from physical and psychological examinations.

Children who apply for initial admission to the district's schools by transfer from nonpublic schools or from schools outside the district will be placed at the grade they would have reached elsewhere pending observation and evaluation by classroom teachers, guidance personnel, and the school principal. After such observations and evaluations have been completed, the principal will determine the final grade placement of the child.

Students entering the Milford Public Schools for the first time must present a birth certificate or other legal evidence of age as determined by the Superintendent.
