Any student or employee who engages in conduct prohibited by the Board’s sex discrimination and sexual harassment policy shall be subject to disciplinary action.

**Definitions**

**Sex discrimination** occurs when a person, because of his or her sex, is denied participation in or the benefits of any education program receiving federal financial assistance.

**Sexual harassment:** In a school setting, sexual harassment is conduct that 1) is sexual in nature; 2) is unwelcome; and 3) denies or limits a student’s ability to participate in or benefit from a school’s educational program. Although not an exhaustive list, the following are examples of the type of conduct prohibited by the policy against sexual harassment:

1. Statements or other conduct indicating that a student’s submission to, or rejection of, sexual overtures or advances will affect the student’s grades and/or other academic progress.

2. Unwelcome attention and/or advances of a sexual nature, including verbal comments, sexual invitations, leering and physical touching.

3. Display of sexually suggestive objects, or use of sexually suggestive or obscene remarks, invitations, letters, notes, slurs, jokes, pictures, cartoons, epithets or gestures.

4. Touching of a sexual nature or telling sexual or dirty jokes.

5. Transmitting or displaying emails or websites of a sexual nature.

6. Using computer systems, including email, instant messaging, text messaging, blogging or the use of social networking websites, or other forms of electronic communications, to engage in any conduct prohibited by this policy.
Sexual Violence: Sexual violence is a form of sexual harassment. For the purposes of this policy, sexual violence refers to physical acts that are sexual in nature, perpetrated against a person’s will or where a person is incapable of giving consent due to the victim’s use of drugs or alcohol.

Complaint Procedure

1. It is the express policy of the Board of Education to encourage victims of sex discrimination or sexual harassment to promptly report such claims. Preferably, complaints should be filed within thirty (30) days of the alleged occurrence. Timely reporting of complaints facilitates the investigation and resolution of such complaints.

2. As soon as a student feels that he or she has been subjected to sex discrimination or sexual harassment, he/she or his/her parent/legal guardian should make a written complaint to the school psychologist or to the building principal, or his/her designee. The student will be provided a copy of the Board’s policy and regulation and made aware of his or her rights.

4. Any student who makes an oral complaint of harassment or sex discrimination to any of the above-mentioned personnel will be provided a copy of this regulation and will be requested to make a written complaint pursuant to the above procedure. In appropriate circumstances, such as due to the age of the student making the complaint, a parent or school administrator may be permitted to fill out the form on the student’s behalf.

5. If the complainant is a minor student, the person to whom the complaint is given should consider whether a child abuse report should be completed in accordance with the Board’s policy on the Reports of Suspected Child Abuse or Neglect of Children.

6. All complaints are to be forwarded immediately to the building principal or designee unless that individual is the subject of the complaint, in which case the complaint should be forwarded directly to the Superintendent of Schools or his/her designee. In addition, a copy of any complaint filed under this policy shall be forwarded to the Title IX Coordinator.
7. The investigation shall be conducted discreetly, maintaining confidentiality insofar as possible while still conducting an effective and thorough investigation.

8. Any student who makes a complaint shall be notified of the District’s intent to investigate the complaint. In the event the student requests confidentiality or that an investigation not be conducted, the District will take reasonable steps to investigate and respond to the complaint to the extent possible, given the request for confidentiality or that the District not investigate the complaint. If the student insists that his/her personally identifiable information not be shared with the alleged perpetrator, the student will be informed that the District’s ability to investigate and/or take corrective action may be limited.

9. Upon receipt of a sexual harassment or sex discrimination complaint, the Title IX Coordinator shall either promptly commence an investigation of the complaint, or shall designate a school administrator to promptly investigate the complaint. The Title IX Coordinator or designee shall:

The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant shall be notified of such extension. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the district will remedy the discrimination or harassment, adhering to the requirements of state and federal law;
