

# Play Today

You say you love your children  
And are concerned they learn today.  
So am I- that's why I'm providing a variety of play.  
You're asking me the value of having your children play.  
Your daughter's creating a tower,  
She may be a builder someday!  
You're questioning the centers.  
They just look like useless play?  
You're worried your children aren't learning,  
And later they'll have to pay?  
They are learning a pattern for learning,  
For they'll be learners always!
